Dear Professor Fulop

I am very pleased to inform you that your article, “Application of Alicyclic Beta-Amino Acids in Peptide Chemistry”, published in Chemical Society Reviews was one of the top 10 2006 most cited articles based on citation data obtained from Thomson ISI.

2006 Most-Cited Articles are articles published in 2006 receiving the most citations in the same year. Chem Soc Rev recognizes these articles as research of immediate interest.

Congratulations on your article being recognized as a Most Cited Article in 2006. I invite you to share this great news with your co-authors and colleagues.

Best wishes

Robert
