

CV of Luca Éva Uhljar Ph.D., Assistant Lecturer

Personal data:

- Phone: +36/62545575
- E-mail: uhljar.luca.eva@szte.hu

Jobs, positions:

- Assistant Lecturer, Institute of Pharmaceutical Technology and Regulatory Affairs, Faculty of Pharmacy, University of Szeged (2021-)

Education, professional qualifications:

- Quality Assurance - Industrial Pharmacist, University of Szeged (2021-2024)
- PhD student, University of Szeged (2019-2023)
- Pharmacist - Economist, University of Szeged (2019-2021)
- Pharmacist, University of Szeged (2014-2019)

PhD thesis title:

Development and comparison of single-needle and nozzle-free electrospinning of polymeric nanofibers for drug delivery applications (2023.)

Research area:

- Development of nanotechnological processes for innovative formulation of poorly water-soluble drugs
- Investigation of fiber formation by electrospinning

Publication activities:

MTMT ID: 10070100

MTMT publication [link](#)

International mobility:

2023. TÉT Hungarian-Slovenian bilateral research project (1 month) - University of Ljubljana, Institute of Pharmaceutical Technology, Slovenia

2023. IPSF SEP program (2 weeks) - University of British Columbia, Shoppers Pharmacy, Vancouver, Canada

2022. ERASMUS+ scholarship (2 months) - University of Tartu, Institute of Pharmacy, Estonia

2022. IPSF SEP program (2 weeks) - University of Porto, Faculty of Pharmacy, Portugal

2022. TÉT Hungarian-Croatian bilateral research project (1 week) - Josip Juraj Strossmayer University of Osijek, Faculty of Food Technology, Croatia

2020. Nordic POP Electrospinning workshop (1 week) - University of Tartu, Institute of Pharmacy, Estonia

2019. IPSF SEP program (3 weeks) - University of Tartu, Institute of Pharmacy, Estonia

Awards, scholarships:

- Kedvessy György Award, 2023.
- XXV. Spring Wind Conference 2nd Poster Section – II. place, 2022.
- DOSZ-Health Sciences and Innovation Conference – II. place, 2021.
- Richter Talentum PhD Scholarship, 2019-2023.
- New National Excellence Programme (UNKP-21-3) - Doctoral Scholarship (12 months)
- EFOP-3.6.3-VEKOP-16-2017-00009, 2019-2020. and 2020-2021.
- id. Réthy Béla Award, 2019.
- Stenszky Ernő Memorial Medal, 2019.
- Pharmacy Student of the Year, Pharmaceutical Care - Patient Counselling Competition 1st place, 2019.
- NKM-Pro Talentis Corporate Scholarship, 2019.
- SZTE Talent Scholarship - Bronze Award, 2019.
- National Higher Education Scholarship, 2018.
- New National Excellence Programme (UNKP-18-2) - Student Research Fellowship (10 months)
- Szeged City Scholarship, 2018.

Participation in research projects:

- NKFI OTKA K_146148 research project (2024-2027) co-researcher
- TKP2021-EGA-32 project (2022-2025) co-researcher
- 2019-2.1.11-TÉT-2020-00147 Hungarian-Slovenian Bilateral project (2022-2024) PhD student participant
- 2019-2.1.11-TÉT-2020-00146 Hungarian-Croatian Bilateral project (2022-2024) PhD student participant

Language skills:

English (intermediate)

German (basic)

Community activities:

- DOSZ – Department of Medical and Health Sciences – president, 2022/23.
- DOSZ – Department of Medical and Health Sciences – Vice President, 2021/22
- Doctoral Student Association, University of Szeged – Vice President, 2021/22
- Doctoral Student Association, University of Szeged – Member of the Board, 2020/21
- Kabay János College for Advanced Studies – Vice President, 2017-2020.

Hobby:

Leader and coach of the SZTE-SZRSC PomPom Girls, the university's majorette team
